## Genie Forklift

Genie is a globally predictable corporation that enjoys the spirit of alliance with their sizable network of associated clients. Genie Industries prides itself on the image of bringing materials and people higher and extending beyond the goods they produce. Genie Industries strives to help clientele erect their business no matter how large or small the level of operation may be.

In 1996, with the launch of the Genie Hoist, which is a pneumatic, transportable material lift spawned the foundation of Genie Industries. A succession of aerial work platforms and additional materials lift trucks followed to satisfy customer demand. These progressive goods secured universal recognition and established state-of-the-art product design.

Genie Industries is presently a subsidiary of Terex Corporation. Maintaining leading quality production and uncompromising service and support are among their highest priorities. With clients from Helsinki to Hong Kong and Denver to Dubai requesting the distinctive blue coloured lifts on the jobsite, the business is confidently grounded in their exceptional consumer service and values. Acknowledging that their consumers are their greatest motivation, the team at Genie Industries are personally dedicated to offering expertise and maintaining customer rapport.

The reliable staff is dedicated to greener, more environmentally practical solutions to develop the goods that clients want. Genie Industries focuses on "lean production" practices in order to help limit waste while producing very high quality forklifts in the shortest time period at the lowest feasible expense for the customer. The staff at Genie Industries is proud to serve the industry and this is mirrored in every creation they design. Always inviting consumer input allows them to manufacture and cultivate progressive new products that are effortless to service and use, provide optimum value-for-cost and satisfy international standards. Thriving on client feedback allows Genie Industries to continually evolve and meet the consumers' needs.

Genie service specialists understand the importance of uptime. They are readily accessible to satisfy questions and provide solutions. Their expansive parts network will promptly dispatch parts to ensure their customers' equipment are running efficiently. Every product comes backed by a competitive and reliable warranty.

Genie Industries takes great pride in its client service and builds and serves its goods to ensure proficiency and maximum uptime on the job. Offering on-going instruction opportunities, to marketing support to adaptable financing solutions, Genie Industries provides their customers the tools to get the most out of their purchase.
