Nissan Forklift

Nissan takes great pleasure in attaining overall customer satisfaction, when their customer is experiencing one of their numerous products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to providing high value and meticulous quality values to their clients. Incorporating a fruitful heritage combined with strong manufacturing principals, Nissan Forklifts provide some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their diverse client base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering consumer support, the company has four distinct production facilities that allow them to constantly adapt to their consumers continually evolving wishes by providing an assortment of progressive ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, manufacture, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental accountability by using methods and processes that lessen their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their consumers require while being an environmentally conscious corporation.

Nissan is fairly convinced that any of their clients inquiries and customer concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their locally sanctioned sellers or even visiting their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
